The Two Canberras: Essays on public policy

Public policy is all around us - it is, after all, what government is supposed to be about - but it is often difficult for citizens to sort out the spin from the substance, the values from the rhetoric. In these clearly written and highly enjoyable essays, Jenny Stewart (Professor of Public Policy in the University of New South Wales at the Australian Defence Force Academy) tackles the core policy dilemmas of our time, from population growth to innovation, from a perspective that is both personal and analytical.
